PART 25 — E-BOARD GOVERNMENT & INSTITUTIONAL SALES KIT

Sales Assets Checklist

LOSVINCA — DIGITAL BOARD GOVERNANCE PLATFORM

Losvinca Sales Kit | Complete Sales Enablement Asset Inventory

Document Classification: Internal Sales Operations **Applicability:** Kenya and African Institutional Markets **Status:** READY TO USE

OVERVIEW

This document provides a comprehensive checklist of every sales asset Losvinca needs to effectively sell E-Board to government institutions, state corporations, NGOs, and organisations with formal boards. Assets are categorised by urgency and cross-referenced with what this Sales Kit already provides.

Legend:

- [PROVIDED IN THIS KIT] — Asset has been created as part of this Sales Kit
- REQUIRES LOSVINCA INPUT — Template or framework provided; Losvinca must customise with specific data
- [LOSVINCA TO CREATE] — Must be created by Losvinca (not covered by this Kit)
- [THIRD-PARTY TOOL] — Requires selection and setup of an external tool or service

CATEGORY 1: MUST HAVE NOW

These assets are essential before initiating any sales conversations. Do not begin outbound prospecting without them.
